

# Posters Sessions

Poster sessions will form an integrated part of the 2024 Conference Program to allow as many attendees as possible to participate in the formal symposium program.

## INSTRUCTIONS FOR POSTER PRESENTERS

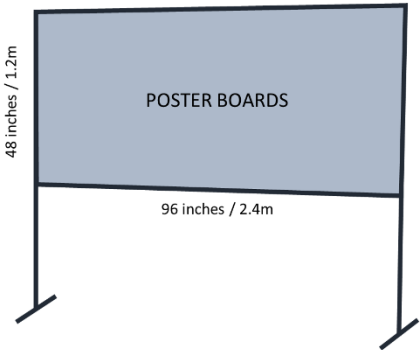

The poster presentations will form an integral part of the ICABR 2024 program. Sufficient time will be made available during the program to view and engage at the posters.

To further enhance the value and impact of the poster session, authors are strongly encouraged to use the **#betterposter** format and templates. You can watch The original introduction to **#betterposter** [HERE](#), get more great poster communication ideas and catch up on the latest developments [HERE](#) and download the PowerPoint templates (portrait or landscape) [HERE](#).

Please ensure your physical poster adhere to the maximum dimensions listed below.
